The Village Panchayet Regulation is not being made applicable to the Villages comprised in the K.G.F. Sanitary Board area. Consequently the sanitary condition of these villages has been much neglected at present. It is prayed that the said Regulation may as a general rule, be made applicable to these villages also, subject to the condition that the Sanitary Board should have general control over the Village Panchayets and such other managing bodies in the said area.

Remarks by the Deputy Commissioner.

This will involve the Amendment of the Mines Regulation. The representation deserves sympathetic examination.

There is no Village Panchayet Regn now. If it is meant that the Local Boards and Village Panchayets Regn has to be made applicable to the Kolar Gold Fields, the agency for carrying out the provisions can not be the Sanry Bd constituted under the Mysore Mines Regn. Special rules for the Sanitation of the area under the control of the K.G.F Sanry Bd have been framed and are administered by the Sanry Board the object of the R.B. members in making this representation is not clear

From the Presdt Sani Bd Kelaniya No 68 of 25-26 82 11/25.
States that there is not objection to the application of the bill in question (Village Panchayets bill) being introduced to the Villages within the K'ya Sani Bd area
Subd The Sani Bd agree to the application of the Village Panchayets bill 1925 to the Villages under their control provided they are not called upon to bear any additional financial burden & the powers now being exercised by the Bd for the Control of epidemics in the area are not in any way affected.

Apart from the financial burdens referred to above the Board will suffer a loss of income by the abolition of mohatarfa due to the introduction of the V.P. Regn into the Villages. The income according to the Budget Estimate for 25 26, accruing to the Bd. from House & Mohatarfa taxes is Rs 11230/- There is no data to deduce what portion of this amount is contributed by the Villages in Question & what the Consequent loss to the Bd will probably be.

Further there will be a loss to the Bd from Cattle pound realisations, the nett income from this source being estimated at Rs 800 or thereabouts.

The present Normal income to the Bd is Rs 89325 against a Normal expenditure of Rs 100996 - If the proposal

now under consideration is sanctioned, it is likely to further unsettle the financial position of the Bd which is already unsound.

Clause 55A of the Bill fully provides for the V.P & P.C of the Board by removing the powers of Asst Com & D.C. respectively under the Rly & also allows for the Control of the epidemics as req'd by the Board. Hence no action seems necessary.

well be excluded from the
operation of the [illegible] Bill
as such it is much incompatible with
and the words as placed
under the control of a Survey Bd
constituted under the Improvement
Trusts Regn, 1920 as amended by
of clause 3 of the Bill may be omitted at the Select Committee
stage.

2 In these circumstances,
I am to request you to
kindly explain the above situation
~~in the above manner~~ to the
Survey Board confidentially
and submit their opinion
as to why the New Panchayat Regn
should not be introduced
into these villages also, the

1. Applicability of village Panchayat Bill of 1925 to the Villages under the control of the K.G.F. Sanitary Board.

Resolution:-

The Board are grateful for the opportunity given to them to express their views on the question of the applicability of the Mysore Village Panchayat Bill to the Villages under their control. After a careful consideration of the matter the Board are of opinion that there is no objection to the ~~application~~ application of the proposed measure to the villages in question provided the Board are not called upon to bear any additional financial burden and provided, further, that, the powers which the Board and their servants now have for the control of epidemics in the area are not in any way impaired. The Board agree that the powers and functions assigned in the Bill to the Amildar and the Assistant Commissioner, should be exercised in the case of the villages under the Board by the Vice President of the Board and those of the Deputy Commissioner by the President of the Board.

President,
Sanitary Board, K.G.F.
